

CATHERINE L. ROSS
760 Spring Street, Suite 213
Atlanta, Georgia 30308
404-385-5133
catherine.ross@design.gatech.edu

EDUCATION

Undergraduate	Kent State University B.A. in History, B.A. in Sociology and Education Certification
Graduate	Cornell University Ithaca, New York Master of Regional Planning Ph.D. in City and Regional Planning Major Planning Theory Minor Quantitative Methods and Civil Engineering Post-Doctoral, University of California, Berkeley

RESEARCH AND TEACHING INTEREST

Transportation planning; regional development; urban revitalization; environmental planning; spatial analysis; land use planning; sustainable development and quality growth; regional planning, research methods; planning theory.

CAREER HISTORY

Deputy Director, National Center for Transportation Productivity and Management, 2012 - present

Harry West Professor of City and Regional Planning, 2003 - present

Director, Center for Quality Growth and Regional Development (CQGRD), Atlanta, GA, 2003 – present

College of Architecture ADVANCE Professor, 2008-present

Executive Director, Georgia Regional Transportation Authority (GRTA), Atlanta, GA, 1999 – 2003

Principal, Catherine Ross and Associates, Inc. - Atlanta, GA. 1980 - 1999

Professor, Graduate City Planning Program, Georgia Institute of Technology, Atlanta, GA, 1990

Vice Provost for Academic Affairs, Georgia Institute of Technology, Atlanta, GA, 1995 - 1996

Associate Vice President for Academic Affairs, Georgia Institute of Technology, Atlanta, GA, 1994 -1995

Special Assistant to the Executive Vice President for Academic Affairs, Office of Academic Affairs, Georgia Institute of Technology, Atlanta, Georgia, 1993 - 1994

Senior Policy Advisor, National Academy of Sciences, National Research Council, Transportation Research Board, Washington, D.C., 1991-1992

Co-Director, Transportation Research and Education Center (TREC), Georgia Institute of Technology, Atlanta, GA, 1991-1996

Director, Doctoral Program, College of Architecture, Georgia Institute of Technology, Atlanta, GA, 1987 - 1993

Associate Professor, Graduate City Planning Program, Georgia Institute of Technology, Atlanta, GA, 1984 - 1990

Assistant Professor, Graduate City Planning Program, Georgia Institute of Technology, Atlanta, GA, 1976 - 1983

Assistant Professor, Public Administration Department, Atlanta University, Atlanta, GA, 1977 - 1979

Transportation Planner, Dalton-Dalton-Little-Newport (Engineers and Planners), Shaker Heights, Ohio, 1973 - 1974

FUNDED RESEARCH PROJECTS

Principal Investigator

“Implementing Megaregions”, Cambridge Systematics Inc., / Cambridge, MA, 08/04/2016 – 11/30/2017, \$91,676

Principal Investigator

“2016 Eisenhower Graduate Fellowship Program-Elliot Sperling”, US Department of Transportation/ Federal Highway Administration, 08/01/2016 - 09/01/2017, \$5,000

Co-Principal Investigator

“GDOT Local Beneficiary Analysis of TIA project expenditures, Phase II,” Georgia Department of Transportation, 07/14/2016 – 04/14/2018, \$43,227.97

Co-Principal Investigator

“Crowdsourced social media monitoring system,” Georgia Department of Transportation, 05/25/2016 - 05/25/2017, \$94,918.

Principal Investigator

“Challenges to CV and AV application in tuck freight operations,” Booz, Allen and Hamilton Inc., 11/23/2015-12/14/2016, \$ 15,254.

Principal Investigator

“SHRP 2 – Implementation Assistance Program,” The Atlanta Regional Commission, 2015- 2017, \$30,000.

Principal Investigator

“Multimodal Planning at the Megaregion Scale,” The American Planning Association, American Planning Association, Washington, D.C. 06/01/2015 – 12/31/2016, \$70,000

Principal Investigator

“A collaborative model for healthy freight planning,” The Pew Charitable Trusts Washington, D.C., 11/01/2014 – 10/31/2016, \$257,308.00

Principal Investigator

“2014 Eisenhower Fellowship/PHylton, US Department of Transportation/ Federal Highway Administration, 08/01/2014 - 09/01/2015, \$5,000

Investigator

(GDOT #14-34) Managing Transportation System Health, Georgia Department of Transportation, 05/08/2014-07/15/2015, \$ 15,612.75

Co-Principal Investigator

GDOT Local Beneficiary Analysis of TIA Project Expenditures: Phase I (Establishment of Baseline Conditions, Expectations and Beneficiaries), Georgia Department of Transportation, 2013-2015, \$164,662.

Principal Investigator

Freight-Movement, Port Facilities, and Economic Competitiveness - Supplemental Task: County-to-County Freight Movement (National and State Level), Georgia Department of Transportation, 2013-16, \$ 47,249.66

Co-Principal Investigator

PLAN 2040 HIA: CREATING A NATIONAL MODEL FOR REGIONAL HIA IMPLEMENTATION, Pew Charitable Trusts, Washington, DC, 2014, \$ 22,518.

Principal Investigator

Freight impacts on Small Urban and Rural Areas, National Transportation Center for Productivity and Management, UTC, 2013, \$ 140,000.00

Principal Investigator

National MAP-21 Implementation and Monitoring, National Transportation Center for Productivity and Management, UTC, 2013, \$ 100,000.00

Co-principal Investigator

A Data Driven Approach to State Transportation Investment Decisions: a Transportation Project Investment and Evaluation Resource (T-Pier), National Transportation Center for Productivity and Management, UTC, 2013, \$ 150,000.00

Co-principal Investigator and Deputy Director

Selected a Tier 1 University Transportation Center (UTC): Center for Transportation System Performance and Management. Research and Innovative Technology Administration (RITA), United States Department of Transportation (US DOT), January 2012, \$14,000,000.00

Principal Investigator

Freight Movement, Port Facilities, and Economic Competitiveness, National Transportation Center for Productivity and Management, UTC, 2012, \$ 162,000.00

Principal Investigator

Georgia SPLOST Database and Clearinghouse for Transportation Finance. Woodruff Foundation, 2012, \$80,000.00

Principal Investigator

Health Impact Assessment Technical Assistance. Georgia Department of Community Health. 2012, \$104,000.00

Co-principal Investigator

Atlanta BeltLine Eastside Trail: Population Comparison Measuring Changes in Behavior Related to Health. Kaiser Foundation Health Plan of Georgia, Inc. March 2012, \$34,996

Co-principal Investigator

Impact of Environmental Justice Analysis on Transportation Planning. Georgia Department of Transportation. 2011, \$100,000

Principal Investigator

HIA, Health Promotion and Disease Prevention Program, Department of Community Health, Division of Public Health. 2011, \$9,320.10

Principal Investigator

Health Benefits of the Atlanta Beltline Eastside Trail: A Pre-Post Impact Assessment, Beltline Partnership. 2011-2012, \$51,251.72

Principal Investigator

The Architecture of the Megaregion. US Department of Transportation/ Federal Highway Administration. 2011-2013, \$270,209.00; 2013-2014-\$138,302.96 (Phase II optional on completion of Phase I)

Principal Investigator

Assessment and Community Revitalization at 10th and Monroe. Betty and Associates LLC. 2010-2011, \$29,986.37

Principal Investigator

Impact of Regional SPLOST's on County Infrastructure- Georgia Department of Transportation and United States Department of Transportation. 2010-2011, \$100, 000.00

Principal Investigator

Development and Implementation of a Decision Support Tool for Atlanta Beltline Inc. Atlanta Beltline Inc. 2010-2011, \$159,000.00

Co-principal Investigator

Impact of the Location of New Schools on Transportation Infrastructure and Finance. Georgia Department of Transportation. 2010-2011. \$149,000

Principal Investigator

Health Impact Assessment (HIA) of Atlanta Regional Plan 2040. The Pew Charitable Trusts: 2010 – 2011, \$144,992.00

Principal Investigator

Health Impact Assessment (HIA) on the Aerotropolis Atlanta Brownfield Redevelopment Project. The Pew Charitable Trusts: 2010 – 2011, \$142,992.58

Principal Investigator

Estimating Safety Benefits of Context-Sensitive Design (CSD). Georgia Department of Transportation: 2010 – 2011, \$160,534.62

Principal Investigator

Megaregions and Transportation Planning. U.S. Department of Transportation/Federal Highway Administration: 2007 – 2009, \$124,209.00

Principal Investigator

Congestion-Pricing Implementations and Deployment Strategies for the Metropolitan Atlanta Area. Georgia Department of Transportation: 2007-2008, \$501,843.99

Principal Investigator

Hospitals and Community Health: A Study of Localized Health Impacts of Hospitals. The Robert Wood Johnson Foundation: 2006-2007, \$94,731.00

Principal Investigator

“Megacities and Megaregions: Frontiers in Spatial Planning” Funding for Book on American Spatial Planning. The Ford Foundation: 2006-2007, \$36,000.00

Co-Principal Investigator

Community Transportation Plan for Decatur, Georgia. City of Decatur: 2006-2007, \$106,250.00

Co-Principal Investigator

Freight Planning for Atlanta Region. Atlanta Regional Commission: 2005-2007, \$30,000.00

Principal Investigator

Population Projections. Coastal Georgia Regional Development Center: 2006, \$43,000.00

Principal Investigator

Health Impact Assessment of the Atlanta Beltline. Robert Wood Johnson Foundation: 2005-2006, \$87,000.00

Investigator

North Fulton Greenway Project. Georgia Legislature: 2006-2007, \$45,930.00

Principal Investigator

Making the Case for Healthy Neighborhoods. Atlanta Neighborhood Development (ANDP): 2006, \$20,000.00

Co-Principal Investigator

Evaluation of HOPE VI Revitalization of Grady Homes. Atlanta Housing Authority and U.S. Department of Housing and Urban Development: 2005,-2011 \$501,447.00

Principal Investigator

A Time for Leadership: Growth Management and Florida 2060. 1000 Friends of Florida: 2006, \$10,000.00

Co-Principal Investigator

A Generalized Model for Evaluating the Success of Mix-Income Revitalization: With a Case Study of the Chicago Housing Authority. The MacArthur Foundation: 2005-2006, \$500,000.00

Co-Principal Investigator

Economic Diversification Plan. Camden County (GA) Public Service Authority: 2005, \$125,000.00

Principal Investigator

“Context Sensitive Design” training seminar, Regional Coalition: 2005, \$65,000.00

Principal Investigator

“Governments and Growth” training seminar, Regional Coalition: 2005, \$40,000.00

Chair

Harry West endowed chair, Georgia Tech Foundation, 09/01/2004 - present

Co-Principal Investigator

“Materials Flow Modeling in Sustainable Industrial Systems within Urban Centers,” National Science Foundation: 2004-2005, \$125,000.00

Principal Investigator

“Development Potential of the SR 365 Corridor in Hall County, Georgia: A Quality Growth Study,” Hall County Board of Commissioners: 2004, \$50,000.00

Co-Principal Investigator

T. Boston and C. Ross. Grant to purchase 500 books to be distributed free of charge to government officials, policy analysts and researchers concerned with the economic problems of inner cities. T. Boston and C. Ross are authors of the book. The Ford Foundation: 1997-1998, \$14,000.00

Co-Principal Investigator

“A Spatial and Statistical Analysis of Commercial Vehicle Activity in Metropolitan Atlanta.” U.S. Environmental Protection Agency: 1997-1998, \$41,000.00. Contract G.35-X45

Principal Investigator

“Land Use and Transportation Interaction: An Examination of the 1995 NPTS Data”. Federal Highway Administration: 1996-1997, \$25,000.00.

Co-Principal Investigator

“Building the Next Generation of Transportation and Air-Quality Models, U.S. Environmental Protection Agency: 1995 to 1999 \$372,700.00. Contract #EAS-EPA G-35-X45

Principal Investigator

“The MARTA Impact Study: Comprehensive Assessment of the Impact of the MARTA System on the Atlanta Region, component of the Transit Impact Monitoring Program, Atlanta Regional Commission: 1994 to 1996, \$100,000.00. Contract #D-48-A73

Research Associate

"The Benefits and Costs for Rural Transit Systems, Georgia Department of Transportation: 1994-1995, \$97,795. Contract #D-48-A94

Principal Investigator

"Building the Next Generation of Transportation and Air Quality Models, U.S. Environmental Protection Agency: 1994 to 1999, \$8,000,000.00 Contract #CR-817732-01

Research Associate

"Mobility Indices," U.S. Department of Transportation (USDOT): 1993-1994, \$150,000.00 Contract #AD-48-478

Co-Principal Investigator

Air Quality Modeling in Urban Environments. U.S. Environmental Protection Agency: 1992, \$800,000.00. Contract #UCAR S9170.

Principal Investigator

Air Quality Modeling In Urban Environments: Analysis of Major Contributors in Non-Attainment Areas and Implications for Improved Air Quality Modeling. Environmental Protection Agency: 1992, \$325,000.00. Contract # UCAR S9170

Principal Investigator

The Federal Test Procedure (FTP) Atlanta: Vehicle instrumentation study to identify driving behavior of Atlanta residents. Environmental Protection Agency: 1992, \$150,000.00. Contract # UCAR S9170

Principal Investigator

Air Quality Modeling In Urban Environments: Analysis of Major Contributors in Non-Attainment Areas and Implications for Improved Air Quality Modeling. Environmental Protection Agency: 1991, \$250,000.00. Contract # UCAR S9170.

Co-Principal Investigator

Transportation Management Associations (TMA's) in the United States. Assessing Public and Private Efforts to Relieve Congestion and Other Transportation Problems through TMA's. U.S. Department of Transportation, Urban Mass Transportation Administration: 1991, \$130,000.00. Contract # GA-11-0022-92-1

Co-Principal Investigator

The Impact of the Federal Overmatch Initiative. Project funded by the U.S. Department of Transportation, Urban Mass Transportation Administration, 1990, \$104,898.00

Co-Principal Investor

Ford Foundation Postdoctoral Fellowship for Minorities: Development of a manuscript on natural disasters and transportation systems. Project funded by the Ford Foundation through the National Research Council, \$31,000.00, September 1987 to September 1988.

Research Associate

Determination of an Appropriate Future Role for the Orlando-Orange County Expressway Authority. Orlando-Orange County Expressway Authority: 1987, \$154,000.00. Contract #D-48-669.

Principal Investigator

Overcoming Barriers to Greater Private Sector Involvement in Transportation. U.S. Department of Transportation, Urban Mass Transportation Administration: 1986 – 1987, \$93,956.00. Contract #GA-11-0017

Principal Investigator

Private Provision of Transportation Services: Assessment of the ways in which the private sector participates in the delivery of transportation services. College of Architecture/Georgia Institute of Technology: 1984 – 1985, \$7,500.00.

Principal Investigator

Transit Operations Institute. U.S. Department of Transportation, Urban Mass Transportation Administration: 1983 – 1984, \$89,607.00. Contract #D48-615

Principal Investigator

Impact Assessment of Natural Disasters on Transportation Lifelines: 1971 to 1981. National Science Foundation: 1983 - 1986, \$150,000.00. Contract #D48-608.

Principal Investigator

Lifeline Engineering: A preliminary examination of the impacts of disasters on a number of urban systems. Project funded by College of Architecture/Georgia Institute of Technology: 1982, \$8,422.00.

Principal Investigator

Rural Transportation Planning. College of Architecture/Georgia Institute of Technology: 1981, \$7,856.00.

Principal Investigator

Evaluation of Transportation Services. College of Architecture/ Georgia Institute of Technology: 1980, \$7,483.00.

Co-Principal Investigator

Evaluating Energy Projects in the Southeast United States. Community Services Administration: 1980, \$40,000.00. Contract #D48-643.

Co-Principal Investigator

Conducting Type III Evaluations of CSA Programs in the Southeast United States (Region IV). Community Services Administration, Contract #D48-643, \$222,721.00 January 1980.

Principal Investigator

Policy Sensitive Approach to Transportation Evaluation. U.S. Department of Housing and Urban Development/Atlanta University, Contract #5008-RG, \$16,000.00 September 1979.

Research Associate

Conducting Type III Evaluations of CSA Programs in Southeast United States (Region IV). Community Services Administration (CSA), Contract #D48-634, \$170,000.00 January 1979.

CRA Consulting projects related to transportation planning, urban planning and economic planning. 1980-1999

PRESENTATIONS (selected)

2017

Co- Author: “Addressing Megaregions in Long-Range Plans”, American Planning Association (APA), National Planning Conference, New York City, NY, May 6, 2017.

Presenter: “Reconstructing Your World: Putting Health in All Policies, Plans and Actions,” Center for Health and Humanitarian Systems (CHHS) Seminar: Innovation and Public Impact Research Across GA Tech, Atlanta, GA, April 19, 2017.

Presenter: “Piedmont Atlantic Megaregion”, Atlanta Regional Commission (ARC) Freight Advisory Task Force, Atlanta, GA, March 2, 2017.

Presenter (invited): “Scaling Up: Thinking Megaregionally in Long-Range Planning, New Partners for Smart Growth Conference, St. Louis, Missouri, February 3, 2017.

Presenter (keynote): “Transportation Infrastructure Impacts on Megaregions,” Freight and Megaregions Peer Exchange 2017, 7, Atlanta, GA, January 31, 2017.

Presenter: “New Potential for Multimodal Connection: Exploring the Relationship Between Taxi Trips and Transit in New York City,” session on Taxis and TNCs: Competitors or Can They Co-exist?, Transportation Research Board (TRB) 96th Annual Meeting, January 11, 2017

Presenter: “Disaggregation of Nationwide Commodity Movement Data to County-to-County and State-Level Travel Analysis Zones”, *in the proceedings* and presented at session on Research Innovations in Freight Transportation Data, Transportation Research Board (TRB) 96th Annual Meeting, Washington, D.C. January 10, 2017.

Presenter: “Air Quality and Health Impacts of Freight on Small Urban and Rural Areas” *in the proceedings* and presented in the session on Urban Freight Innovations, Transportation Research Board (TRB) 96th Annual Meeting, Washington, D.C. January 9, 2017.

2016

Presenter (keynote speaker): “ Starting the Conversation: Are We Ready for the Rise of the Megaregion?”, FHWA/DVRPC Mega-Region Mega-Event, King of Prussia, PA, December 6-7, 2016.

Co-Author: “Shifting Transit Usage: Novel Approaches,” The Association of Collegiate Schools of Planning, 56th Annual conference, Portland, OR, November 6, 2016.

Co-Author: “Air freight connectivity’s impact on economic development,” The Association of Collegiate Schools of Planning, 56th Annual conference, Portland, OR, November 6, 2016.

Presenter: “POCIG and the ACSP Committee on Diversity Joint Roundtable: Moving Faculty of Color through the Pipeline from Associate to Full Professor, The Association of Collegiate Schools of Planning, 56th Annual conference, Portland, OR, November 3, 2016.

Presenter (invited): “Integrating Health into Metropolitan Transportation Planning,” Planning for a More Sustainable Future: Symposium on the Integration of Transportation, Land Use, and Environmental Planning for Equity, Economic Development, and a Healthy Environment, UC Berkeley, October 17, 2016.

Session Chair (invited): Session Name: “Sustainability assessment of renewable energy applications,” 8th International Conference on Applied Energy, Beijing, China, October 9, 2016.

Panelist (Invited): Panel Session: “Energy resilient urban systems,” 8th International Conference on Applied Energy, Beijing, China, October 9, 2016.

Presenter (invited): “What if transit works?”, The Case for Regional Transit in Metro Detroit Taubman College of Architecture and Planning University of Michigan, Ann Arbor, MI October 4, 2016

Presenter: “Quality of Life Benefits of Urban Trails: Analysis of the Atlanta Beltline”, IUPEA – International Urban Planning and Environment Association, Lisbon, Portugal, June 2, 2016

Co-Author: “ Urban Revitalization: Changing Atlanta’s Land Use Intensities” IUPEA – International Urban Planning and Environment Association, Lisbon, Portugal, June 2, 2016

Co- Author: “ Parking Spaces in the age of Shared autonomous vehicles: How much parking will we need and where?”, IUPEA – International Urban Planning and Environment Association, Lisbon, Portugal, June 3, 2016

Co-Author: “ Public Transit Equity and the Geography of Opportunity in the Atlanta Region,” IUPEA – International Urban Planning and Environment Association, Lisbon, Portugal, June 3, 2016

Panelist: “Planning Atlanta”, Atlanta Studies Symposium 2016, Georgia State University, May 11, 2016

Keynote speaker (invited): “Megaregion: Piedmont – Atlanta, Understanding the dynamics of the mega region and its impact globally,” Memphis Area Association of Governments (MAAG) annual dinner, Cordova, TN, April 14, 2016

Presenter: “Planning Research Meets Planning Practice Discussion”, 2016 American Planning Association (APA) annual conference, Phoenix Convention Center, Phoenix, AZ, April 5, 2016

Keynote speaker (invited): “A Transportation Agenda for the Global Era,” DCRP Lecture Series: 9th Annual Martin Wachs Lecture, College of Environmental Design, University of California, Berkeley, Berkeley, CA, March 17, 2016.

Co-Author: “Health Impact Assessment (HIA) of the Transformation Plan for a HUD Designated Choice Neighborhood in Albany, Georgia,” Urban Affairs Association Conference (UAA), San Diego, CA, March 17, 2016

Keynote speaker (invited): “Charlotte Megaregion,” Transportation Infrastructure Summit, Charlotte Chamber of Commerce, Charlotte, NC, March 4, 2016.

Panelist: “Innovations in changing behavior,” National Highway Traffic Safety Administration Safety Summit, Atlanta, GA, February 23, 2016.

Presenter: “Megaregions: Leaning Forward, - Workshop 161 on Megaregions: Surfing the Wave of the Future”, presented at the 95th Annual Transportation Research Board Meeting (TRB), Washington, D.C., January 10, 2016.

Presenter: at “Standing Committee on Transportation and Economic Development (ADD10)”, presented at the 95th Annual Transportation Research Board Meeting (TRB), Washington, D.C., January 12, 2016.

Co- Author: “Exploration of Airport Effects on Distribution Center Location,” Catherine Ross, Georgia Institute of Technology and Peter Hylton, Georgia Institute of Technology, presented at the 95th Annual Transportation Research Board Meeting (TRB), Washington, D.C., January 12, 2016.

2015

Catherine Ross, Elliot Sperling, and Subhrajit Guhathakurta, “Adopting a New Energy Economy in the United States”, Low Carbon Cities and Urban Energy Systems, CUE 2015, Fuzhou, China, Nov. 15-17, 2015.

Invited Keynote speaker: “Sustainable Development Strategy of Megacities in United States,” Forum on Urban Ecology and Energy Conservation co-organized by IESD and Beijing Engineering Research Center of Building Energy Efficiency and Urban Ecology (BEEUE), Beijing, China, November 10, 2015.

Primary Author: “Estimating the economic impact of port growth employing GPS data, freight modeling, and economic impact analysis at the local and megaregion levels,” 2015 Annual Association of Collegiate Schools of Planning (ACSP) conference, Houston, TX, October 22, 2015.

Primary Author: “Identifying factors that impact logistics clusters’ competitiveness,” 2015 Annual Association of Collegiate Schools of Planning (ACSP) conference, Houston, TX, October 22, 2015.

Moderator (invited): “Enhancing Equity in Faculty Hiring,” Seventh Annual Diversity Symposium, Georgia Institute of Technology, September 9, 2015.

Presenter (invited): “3rd Virtual Workgroup Webinar on Megaregions” hosted by the Federal Highway Administration (FHWA), Washington, D.C., July 14, 2015.

Presenter (invited): “Expanding the Role of HIA and Health Considerations across Federal Agencies,” 2015 National Health Impact Assessment Meeting, Washington, D.C., June 16, 2015.

Panelist (invited): “Lessons Learned Panel,” at PEW the Charitable Trusts Grantee Meeting, Washington, D.C., June 15, 2015.

Presenter (invited): “Health Impact Assessment in the U.S,” 2015 Symposium of Ecological Urban Design in Shanghai, China, Shanghai, P.R. China, June 5, 2015.

Presenter (invited): “Rise of the Megaregion”, Institute of Environment for Sustainable Development (IESD), Tongji University, Shanghai, P.R. China, June, 2015.

Presenter (invited): 2015 “City and Nature,” Tongji University, Shanghai, China. June 2-7 2015.

Moderator: “The Big Picture of Connectivity,” panel session moderated at Atlanta Regional Commission’s “Port to Port Potential” meeting, Savannah, GA, May 20, 2015.

Presenter: ““Economic Impact to Georgia Counties from the Expansion of the Panama Canal.” Atlanta Regional Commission (ARC), Board Meeting, April 22, 2015.

Presenter: “AT010 - Freight Transportation, Economics and Regular Committee,” presented at the 94th Annual Transportation Research Board Meeting (TRB), “Mega-Regions Joint Subcommittee of ADA20, Washington, D.C., January 14, 2015.

Co-Author: “Global Positioning System-Based Truck Modeling for Regional Travel Demand Forecasting,” David Jung-Hwi Lee, Georgia Institute of Technology and Catherine Ross, Georgia Institute of Technology, presented at the 94th Annual Transportation Research Board Meeting (TRB), Washington, D.C., January 13, 2015.

Presenter: “AT015: Freight Transportation Planning and Logistics Committee,” presented at the 94th Annual Transportation Research Board Meeting (TRB), “Mega-Regions Joint Subcommittee of ADA20, Washington, D.C., January 12, 2015.

Presenter: “ADD 020: Community Impact Assessment”, presented at the 94th Annual Transportation Research Board Meeting (TRB), “Mega-Regions Joint Subcommittee of ADA20, Washington, D.C., January 12, 2015.

Co- Author: “Character and Intensity of Mega-Region Supply Chain Activity,” Catherine Ross, Georgia Institute of Technology and Peter Hylton, Georgia Institute of Technology, presented at the 94th Annual Transportation Research Board Meeting (TRB), Washington, D.C., January 12, 2015.

2014

Presenter: “Piedmont Atlantic Megaregion, America 2050 Forum Report, Importance of alternate transportation to meet growth presented at the Joint Study Committee on Critical Transportation Infrastructure Funding at The Forum, Rome, GA (November 20, 2014)

Invited Speaker: “Urban regeneration through regional infrastructure investment,” International Symposium on Urban Regeneration, University of Seoul, South Korea, (November 12, 2014)
